

ROUGH GRADING INSPECTION CERTIFICATE

Job Address: _____ Building Permit No. _____

Owner: _____ Planning Permit No. _____

Rough Grading Certification

(A) BY SOILS ENGINEER

I certify that the rough grading work incorporates all recommendations contained in the report or reports for which I am responsible and all recommendation that I have made based on field inspection of the work and testing during grading. I further certify that where the reports of an Engineering Geologist, relative to this site, have recommended the installation of buttress fills or other similar stabilization measures, such earthwork construction has been completed in accordance with the approved design.

Lot #s _____

See reports dated _____ for test data, recommended allowable soil bearing values and other special recommendations.
