

Oxnard Redistricting

Public Map Submission

INSTRUCTIONS:

Draw your proposed district boundaries using colored markers. Submit your completed map by email to redistricting@oxnard.org. You can hand deliver, mail, fax, scan, or photograph and email your map.

The 2020 total population for each “population unit” area is shown on the map. Each of the six districts should have approximately 33,769 residents.

A balanced map will have no more than a 3,376 difference in population between the largest and smallest districts.
