Attachment B.1(b) Significant Amendment/Modification

Proposed Significant Amendments

Housing Choice Voucher (HCV) Administrative Plan & Public Housing Program Admissions and Continued Occupancy Policy (ACOP) Plan

The Housing Opportunity Through Modernization Act of 2016 (HOTMA) was enacted on July 29, 2016. Title I of HOTMA contains fourteen sections that affect the HCV and Low Rent Public Housing Program rental assistance programs. Some of the changes were to be implemented immediately, while others required further action from the Department of Housing and Urban Development (HUD). The Final Rule which implements Sections 102, 103, and 104 was officially published in the Federal Register on February 14, 2023. HUD established a January 1, 2024 compliance date for mandatory and discretionary changes in policies pertaining to Sections 102/104, however; the date has since been pushed back with no new date at this time.

In preparation, the Oxnard Housing Authority (OHA) adopted a pre- and post-HOTMA Admin and ACOP plan on July 1, 2024. An appendix was included to assist in navigating policy changes during the transition period. Until further direction from HUD, the OHA will continue to operate its programs under pre- HOTMA policies while also managing policies that can be used immediately. Instead of two separate versions of each plan, the OHA has adapted its plans to incorporate pre- and post- HOTMA policies. Due to the extensive changes that impact chapters 6, 7, and 11(ADMIN)/9(ACOP), they will be split into version A for pre- and version B for post-HOTMA policies. Once the OHA transitions the pre-HOTMA chapters will be removed. All of the remaining chapters were also updated to clarify which policies are pre- versus post -HOTMA, where applicable.

In addition, HUD is transitioning from housing quality standards (HQS) to the national standards for the physical inspection of real estate (NSPIRE) for inspections. The original compliance date of October 1, 2024 has been changed to October 1, 2025. Since the OHA previously adopted the NSPIRE policies in anticipation of the 2024 compliance date, the OHA will also split Chapter 8 to include version A outlining pre- and version B outlining the NSPIRE revisions. Once the OHA transitions to NSPIRE, version A will be removed. HUD issued further guidance indicating that term "Housing Quality Standards" will continue to be used for the Housing Choice Voucher Program, even after the transition, therefore this change was also made throughout the Admin Plan where applicable.

The proposed Admin Plan also includes revisions required by recent changes to HUD regulations. Chapters 1, 5, 9, 10, 15, 16, and 18 are updated to comply with the HOTMA Voucher Final Rule and chapter 19 to comply with the August 13, 2024 Federal Register/Notice PIH 2024-30. The changes that affect the Project Based Voucher program (chapter 17) required a complete overhaul of the chapter. All of the remaining chapters were also updated to comply with various changes in federal regulations.

A draft of the proposed changes to each plan may be accessed at:

Attachment B.2(a) (b) Description of New Activities

Hope VI or Choice Neighborhoods

The PHA was selected to receive a FY2024 Choice Neighborhoods Planning Grant in the amount of \$500,00 to support the development of a comprehensive neighborhood Transformation Plan for the Las Colonia and Central Oxnard neighborhood, which includes the PHA owned public housing properties in the Colonia Rd (31-3) and Felicia Court (31-2), public housing sites. The PHA will work on creating a Transformation Plan in preparation for the submitting of a Choice Neighborhoods Implementation Grant Application.

Conversion of Public Housing to Project Based Rental Assistance or Project Based Vouchers under RAD

The PHA will continue its efforts related to repositioning activities of its public housing sites.

An analysis has been completed of each the PHA's public housing properties. Based on property's physical condition, resident needs, and potential for financial viability the first projects to be proposed for RAD conversion will be Palm Vista (31-8), Plaza Vista (31-5), and Althea Court (31-72). Once the RAD applications have been approved, the PHA will continue with the next RAD steps until conversion is achieved.

These conversions will be followed by Cuesta Del Mar (31-71), Fashion Park (31-74), Freemont Square (31-75), Hill Street (31-76), and Pleasant Valley (31-4) public housing sites (not in any particular order).

Project Based Vouchers

The PHA has almost reached the 20% program cap for conversion of tenant-based vouchers to project-based vouchers. The goal is to pursue funding opportunities that are for project-based voucher allocations that can be excluded from the program cap.

Attachment B.2(a) (b) Description of New Activities

Hope VI or Choice Neighborhoods

The Public Housing Authority (PHA) has been selected to receive an FY2024 Choice Neighborhoods Planning Grant of \$500,000. This grant will support the development of a comprehensive neighborhood Transformation Plan for the Las Colonia and Central Oxnard neighborhoods, including PHA-owned public housing properties located on Colonia Road (31-3) and Felicia Court (31-2). The PHA will use this grant to create a Transformation Plan in preparation for submitting a Choice Neighborhoods Implementation Grant application.

Repositioning of Public Housing

The Oxnard Housing Authority (OHA) is in the process of applying for a Commitment to Enter into a Housing Assistance Payment (CHAP) under the Rental Assistance Demonstration (RAD) program. OHA plans to blend RAD, Section 18, and other related repositioning programs as it converts its public housing portfolio into Project-Based Vouchers (PBV), following guidelines in HUD PIH Notices 2021-07, 2012-32 (REV-1 to REV-3), and 2019-23 (REV-4), among others.

Upon conversion to PBVs, OHA will adopt the resident rights, participation, waiting list, and grievance procedures outlined in Section 1.6 of PIH Notice 2019-23 (REV-4) and related successor notices. These rights and procedures are appended to this attachment. Additionally, OHA certifies compliance with all fair housing and civil rights requirements.

Demolition and/or Disposition.

Section 18 of the U.S. Housing Act of 1937 (amended in 1998) removes the one-for-one public housing replacement requirement, granting PHAs authority to demolish or dispose of public housing. PIH Notice 2018-4 expands Section 18's scope to help PHAs access private capital and reposition public housing onto more sustainable financial platforms.

During the conversion process, the PHA will apply for a demolition/disposition application through HUD's Special Application Center to dispose of eight units at Althea Court. These units suffered fire damage and are HUD-approved vacant due to casualty loss.

Under the Housing Opportunities Through Modernization Act (HOTMA), PBVs may be awarded to this project without competitive bidding due to the PHA's ownership interest.

Attachment B.2(a) (b) Description of New Activities

Conversion of Public Housing to Project Based Rental Assistance or Project Based Vouchers under RAD

OHA intends to submit applications to convert its 515-unit public housing portfolio into PBVs through RAD and RAD/Section 18 Small PHA Blend programs as per PIH Notice 2021-07, PIH 2012-32, REV-1, REV-2, REV-3, PIH 2019-23 REV-4, 4b and Joint Housing PIH Notice H-2019-09, and any successor Notices.

- The PHA is submitting applications to convert 98% of its public housing units (515 Units) to project-based vouchers (PBV) through a RAD and subsequent RAD/Section 18 Small PHA Blend conversion (See Tables).
- There are no changes planned in the number of units and no changes in bedroom distribution.
- The PHA has no public housing preferences cited in the Admissions and Continued Occupancy that would be adopted by the Section 8 Administrative Plan. All Housing Choice Voucher Waiting List Preferences will apply to these units.
- The PHA intends to remain in full compliance of Attachment PIH-2019-23 REV-4 and any successor notices as it pertains to waiting list preferences, Resident Rights, and Participation, Tenant Protections for residents. Additionally, the PHA will remain in full compliance with Tenant Protections as outlined under PIH Notice PIH 2019-08.
- Prior to conversion the PHA will survey all waiting lists to determine how many active applicants remain and subsequently merge remaining applicants according to their current standing on the waiting list.

RAD and Section 18 were designed by HUD to assist in addressing the capital needs of public housing by providing the PHA with access to private sources of capital to repair and preserve its affordable housing assets. Please be aware that upon conversion, the PHA's Capital Fund Budget will be reduced by the pro rata share of Public Housing Developments converted as part of its RAD/Section 18 Small PHA Blend conversion and that the PHA may also borrow funds to address its capital needs. If necessary, the PHA will also be contributing Operating Reserves and Capital Funds towards the conversion.

Upon conversion to Project Based Vouchers, the PHA will adopt the resident rights, participation, waiting list and grievance procedures listed in Section 1.6 of PIH Notice 2019-23, REV-4, 4b; and Joint Housing PIH Notice H-2019-09 and any successor Notices. These resident rights, participation, waiting list and grievance procedures are appended to this Attachment. Additionally, the PHA certifies that the PHA is currently compliant with all fair housing and civil rights requirements. g to PBV. It is the PHA's intent to comply with PIH Notice 2012-32 as it relates to the following:

1. Right to Return and Relocation Assistance (Section 1.4. A.5 (ii)): "Any resident that may need to temporarily relocated to facilitate rehabilitation or construction has a right to return to an assisted unit at the Covered Project once rehabilitation is completed". Relocation expenses shall be paid by the PHA.
2. No Rescreening of Tenants upon Conversion (Section 1.6.C.1): "Pursuant to the RAD Statute, at conversion, current households cannot be excluded from occupancy at the Covered Project based on any rescreening, income eligibility, or income targeting. With respect to occupancy in the Covered Project, current households in the Converting Project will be grandfathered for

Attachment B.2(a) (b) Description of New Activities

application of any eligibility criteria to conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion. Post-conversion, the tenure of all residents of the Covered Project is protected pursuant to PBV requirements regarding continued occupancy unless explicitly modified in this Notice (e.g., rent phase-in provisions). 24 CFR 982.20 I, concerning eligibility and targeting of tenants for initial occupancy, will not apply for current households.

3. Under-Occupied Unit (Section 1.6.C.1 I): "If a family is in an under-occupied unit under 24 CFR 983.260 at the time of conversion, the family may remain in this unit until an appropriate becomes available at the Covered Project. When an appropriate sized unit becomes available at the Covered Project, the family living in the under-occupied unit must move to the appropriate-size unit within a reasonable period of time, as determined by the PHA. In order to allow the family to remain in the under-occupied unit until an appropriate-sized unit becomes available at the Covered Project, 24 CFR 983.260 is waived.
4. Renewal of Lease (Section 1.6.C.3): The PHA shall renew all leases upon lease expiration, unless cause exists.
5. Phase-in Tenant Rent Increase (Section 1.6.C.4): "If a tenant's monthly rent increases by more than the greater of 10 percent or \$25 purely as a result of conversion, the rent increase will be phased in over 3 or 5 years as outlined in Section I.C.4 of PLH Notice 2012-32". The PHA shall establish a policy setting the length of the phase-in period at five years.

Three Year Phase-In:

- Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion - 33% of difference between most recently paid TTP or flat rent and the Calculated PBV TTP
 - Year 2: Year 2 Annual Recertification (AR) and any Interim Recertification (IR) prior to year 3 AR - 50% of difference between most recently paid TTP and the Calculated PBV TTP
 - Year 3: Year 3 AR and all subsequent recertification's- Full Calculated PBV TTP
6. FSS and ROSS-SC (Section 1.6.C.5): Public Housing residents that are currently FSS participants will continue to participate in the PHA's FSS program. The PHA may continue to use any FSS funds already awarded to serve those FSS participants who live in units converted by RAD. At the completion of the FSS grant, PHAs should follow the normal closeout procedures outlined in the grant agreement. If the PHA continues to run an FSS program that serves PH and/or HCV participants, the PHA will continue to be eligible (subject to NOFA requirements) to apply for FSS funding. Due to the program merger between PH FSS and HCV FSS that took place pursuant to the FY14 Appropriations Act (and was continued in the subsequent Appropriation Acts), no special provisions are required to continue serving FSS participants that live in public housing units converting to PBV under RAD.

However, PHAs should note that until provisions of the Economic Growth, Regulatory Relief, and Consumer Protection Act are implemented, there are certain FSS requirements (e.g., escrow calculation and escrow forfeitures) that apply differently depending on whether the FSS participant is a participant under the HCV program or a public housing resident, and PHAs must follow such requirements accordingly. All PHAs will be required to administer the FSS program in accordance with FSS regulations at 24 CFR part 984 (current, or as amended), the participants' contracts of participation, and the alternative requirements established in the "Waivers and Alternative Requirements for the FSS Program" Federal Register notice, published on December

Attachment B.2(a) (b) Description of New Activities

29, 2014, at 79 FR 78100.38 Further, upon conversion to PBV, if the PHA no longer has a public housing program, funds already escrowed for FSS participants shall be transferred into the HCV escrow account and be considered TBRA funds, thus reverting to the HAP account if forfeited by the FSS participant.³⁹

Current ROSS-SC grantees will be able to finish out their current ROSS-SC grants once their housing is converted under RAD. However, once the property is converted, it will no longer be eligible to be counted towards the unit count for future ROSS-SC grants, nor will its residents be eligible to be served by future ROSS-SC grants, which, by statute, can only serve public housing residents. At the completion of the ROSS-SC grant, PHAs should follow the normal closeout procedures outlined in the grant agreement. Please note that ROSS-SC grantees may be a non-profit or local Resident Association and this consequence of a RAD conversion may impact those entities. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

7. Resident Participation and Funding (Section 1.6.C.6): Residents of Covered Projects with assistance converted to PBV will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding.
8. Termination Notification (Section 1.6.C.7. i): In addition to the regulations at 24 CFR 983.257 related to Project Owner termination of tenancy and eviction the termination procedure for RAD conversion to PBV will require that PHAs provide adequate written notice of termination of the leased which shall be: a) A reasonable period of time, but not to exceed 30 days; b) If the health or safety of other tenants, Project Owner employees, or persons residing in the immediate vicinity of the premises is threatened; or c) Not less than 14 days in the case of nonpayment of rent; and d) Not less than 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply. Termination provisions outlined in Oxnard Housing Authority Administrative Plan shall apply.
9. Grievance Process (Section 1.6.C.7. ii): For issues related to tenancy and termination of assistance, PBV program rules require the Project Owner to provide an opportunity for an informal hearing as outlined in 24 CFR 982.555. RAD will specify alternative requirements for 24 CFR 982.555(b) in part, which outlines when informal hearings are not required.
10. Earned Income Disregard (Section 1.6.C.8): Tenants who are employed and are currently receiving the Earned Income Disregard (ELD) exclusion at the time of conversion will continue to receive the EID after conversion, in accordance with regulations at 24 CFR 5.617. Upon the expiration of the ELD for such families, the rent adjustment shall not be subject to rent phase-in, as described in Section 1.6.c.4; instead, the rent will automatically rise to the appropriate rent level based upon tenant income at that time. Under the Housing Choice Voucher program, the ELD exclusion is limited only to persons with disabilities. In order to allow all tenants (including non-disabled persons) who are employ currently receiving the EID at the time of conversion to continue to benefit from this exclusion in the PBV project, the provision in 24 CFR 5.617(b) limiting EID to disabled persons is waived. The waiver, and resulting alternative requirement, apply only to tenants receiving the EID at the time of conversion. No other tenant (e.g., tenants that move into the property following conversion or tenants who at one time received the EID

Attachment B.2(a) (b) Description of New Activities

but are not receiving the EID exclusion at the time of conversion due to loss of employment) is covered by this waiver.

11. Jobs Plus (Section 1.6.C.9): Jobs Plus is not applicable to Oxnard Housing Authority.
12. When Tenant Payment Exceeds Gross Rent (Section 1.6.C.10): Under normal PBV rules, the PHA may select an occupied unit to be included under the PBV Housing Assistance Payments (HAP) Contract only if the unit's occupants are eligible for housing assistance payments. Also, a PHA must remove a unit from the contract when no assistance has been paid for 180 day because the family's Total Tenant Payment (TTP) has risen to a level that is equal to or greater than the contract rent, plus any utility allowance, for the unit (i.e., the Gross Rent) Since the rent limitation under this Section of the Notice may result in a family's TTP equaling or exceeding the gross rent for the unit, for residents living in the Converting Project prior to conversion and who will return to the Covered Project after conversion, HUD is waiving both of these provisions and requiring that the unit for such families be placed on and/or remain under the HAP Contract when TIP equals or exceed the Gross Rent. Alternative requirements shall establish that until such time that the family's TIP falls below the gross rent, the rent to the owner for the unit will equal the less of (a) the family's TIP, less the Utility Allowance, or any applicable maximum rent under Low-Income Housing Tax Credit (LIHTC) regulations. When the family's TTP falls below the gross rent, normal PBV rules shall apply. As necessary to implement this alternative provision, HUD is waiving the provisions of Section 8 (o)(13)(H) of the Act and the implementing regulations at 24 CFR 983.301 as modified by Section 1.68.5 of this Notice. In such cases, the resident is considered a participant under the program and all of the family obligations and protections under RAD and PBV apply to the resident. Likewise, all requirements with respect to the unit, such as compliance with the Housing Quality Standards (HQS) requirements, apply as long as the unit is under HAP Contract. The PHA is required to process these individuals through the Form 50058 submodule in PIH Information Center (PIC). Following conversion, 24 CFR 983.53(d) applies, and any new families referred to the RAD PBV project must be initially eligible for a HAP payment at admission to the program, which means their TTP may not exceed the gross rent for the unit at that time.
13. Establishment of Waiting List (Section 1.6.D.s): 24 CFR 983.251 sets out PBV program requirements related to establishing and maintaining a voucher-wide, PBV program-wide or site-based waiting list from which residents for the Covered Project will be admitted. The PHA's site-based waiting list shall be transferred to a new site-based waiting list for Covered Projects. Properties added to the wait list may utilize the Section 18 blend program.
14. Choice Mobility (Section 1.6.D.9): One of the key features of the PBV program is the mobility component, which provides that the family may terminate the assisted lease at any time after the first year of occupancy. The family must give the owner advance written notice of intent to vacate (with a copy to the PHA) in accordance with the lease. If the family has elected to terminate the leased in this manner, the PHA must offer the family the opportunity for continued tenant-based rental assistance, in the form of either assistance under the voucher program or other comparable tenant-based rental assistance. Before providing notice to terminate the lease a family must contact the PHA to request comparable tenant-based rental assistance if the family wishes to move with continued assistance. If voucher or other comparable tenant-based rental assistance is not immediately available upon termination of the family's leased of a PBV unit, the PHA must give the family priority to receive the next available

Attachment B.2(a) (b) Description of New Activities

opportunity for continued tenant-based rental assistance. If the family terminates the assisted lease before the end of one year, the family relinquishes the opportunity for continued tenant-based assistance.

DRAFT

Attachment B.3

Progress Report: PHA Goals and Objectives for 5-Year Plan Fiscal Years 2020-2025

Goals and Objectives that will enable the PHA to serve the needs of low-income, very low-income, and extremely low-income families for the next five years.

Strategic Goal: Advance Economic Opportunity

PHA Goal One: Expand the supply of assisted housing.

Objective: Apply for additional tenant based, project based, and special purpose vouchers

The Oxnard Housing Authority's (OHA) Veterans Affairs Supportive Housing (VASH) voucher allocation has increased by 25 additional vouchers for a total of 77. The OHA was awarded 40 Mainstream Vouchers and 46 Emergency Housing Vouchers. An additional allocation of 14 Housing Choice Vouchers were also awarded.

Objective: Development of additional rental housing

Las Cortes, Inc. a non-profit corporation was established with the purpose of creating affordable housing. To date, phase I and phase II of the Las Cortes project have been completed which involved the demolition and replacement of 260 public housing units. Currently, phase III of the project is in the planning phase which will result in additional rental housing units. During the OHA 5-year plan period the PHA acquired 2-triplex properties, a single-family residence, and an apartment complex, for a total of 17 units that are now rented to low income families.

Additionally, the OHA made substantial progress in increasing the availability of rental housing through partnerships with various affordable housing developers. The Central Terrace project was completed in July 2024 which includes 35 Project Based Vouchers issued by the OHA. Phase I of the Casa Aliento project was completed in October 2024, which includes 21 mainstream project-based vouchers and 19 housing choice project-based vouchers issued by the OHA. There is construction underway for the Dolores Huerta Project, which will include 13 VASH vouchers awarded by the OHA and the 2nd & B Project, which will include 55 project-based vouchers awarded by the OHA. These efforts help address the obstacle faced by newly admitted low- income families who receive subsidized housing assistance but are successful in locating a unit.

Objective: Decrease Public Housing Vacancy Rate

The Public Housing vacancy rate was sustained. Having units ready for occupancy in decreased turn times has enabled OHA to house families who are in dire need of housing in a shorter time frame. The units designated for conversion to comply with the Department of Housing and Urban Development's ADA-Section 504 regulation, were not factored. The units are taken offline as they are vacated. In fiscal year 2024, the OHA began the drain line replacement project for the Plaza Vista public housing site. Due to the extent of work, a total of 6 units were set aside at the Palm Vista public housing site to be used for the temporary relocation of residents. Once the project has been completed, all vacancies will be filled by applicants from the waitlist or by transfers of over housed public housing residents.

Objective: Increase Housing Choice Voucher Budget Utilization

As a result of the COVID-19 pandemic, the OHA's utilization rate was negatively impacted. The

Department of Housing and Urban Development (HUD) requires for PHAs to use at least 95% of their budget authority or lease-up of baseline units. In order to increase utilization, the OHA deployed several strategies: payment standards were increased to 110% and landlord rent increases (which had been suspended) were resumed, these actions increased housing choices. Several selections from the Section 8 waitlist were completed, “selections” refers to the process of admitting new families into the program. Although the OHA has a voucher allocation remaining, the budget expenditure goal of 100% has been Sustained.

Objective: Create a Housing Navigation team

A Housing Locator position was created to provide field-based housing location services to program participants. The Housing Locator works closely with participants and their case workers in the rental process. The Housing Locator maintains and coordinates communication, between participants, landlords, property managers, case workers, community partners, and staff. In addition, a partnership with Ventura County United Way was established to leverage the various landlord incentive programs for homeless individuals and families they offer, which in turn helps OHA’s voucher holders to secure units.

PHA Goal Two: Expand Family Self-Sufficiency (FSS) Program

Objective: Increase program participation

Fiscal years 2020 and 2021 presented a challenge to the OHA’s efforts to increase FSS program participation. Offices were closed to the public making it necessary to move towards on-line recertifications. In fiscal year 2022, HUD published mandated updates to the FSS program which resulted in a temporary suspension of new admissions to the program. The OHA shifted focus to completing the necessary legwork to ensure the program meets compliance requirements and that all policies and procedures are up to date with new federal regulations. For fiscal year 2023, the OHA applied for and was awarded funding to hire an additional FSS Coordinator. In fiscal year 2024, both FSS Coordinator positions were filled and marketing and outreach efforts were revamped. The minimum number of participants required by HUD is 25, the Oxnard Housing Authority has 85 active participants.

Objective: Expand the scope and types of services offered to participants. For example: job training and educational programs that will increase self-sufficiency and income generation

The OHA partnered with the Ventura County Credit Union and the Housing Authority of the City of San Buenaventura to offer money management workshops. The OHA facilitates ESL classes and Digital Literacy courses in partnership with Oxnard Adult School. In FY 2022, the OHA launched its scholarship program which has been awarding scholarships annually to youth who are pursuing a higher education and whose family is a Public Housing or Section 8 program participant. College preparation workshops are also offered in partnership with Oxnard College and California State University Channel Islands.

Objective: Build new partnerships with employers and service providers

The OHA has partnered with Amazon, Embassy Suites by Hilton, Boys & Girls Clubs of Greater Oxnard and Port Hueneme, Gold’s Gym, and the United States Census 2020 to host a community wide job fair each year. In 2022, the OHA partnered with Southwest Carpenters, who will be offering paid apprenticeships, with employment guarantee, at no cost to interested Section 8 and Public Housing

program participants. The OHA is also a participant of the Senior Community Service Employment Program, which provides on-the-job training for seniors.

Objective: Revamp marketing efforts of the FSS Program

FSS Coordinator has been participating in various local community events and resource fairs to provide education about the FSS program. In addition, a brief presentation is provided to newly admitted clients to the Public Housing and Section 8 program, during orientation.

Objective: Increase progress meetings with FSS program participants

Individualized in-person meetings with program participants have resumed and the frequency has been increased. This has helped to motivate participants to work on their self-sufficiency goals and continue participation in the program as they are able to get resources to assist with any obstacles encountered while working on their FSS program participant goals.

PHA Goal Three: Supportive Services for Residents

Objective: Resident Opportunities and Self-Sufficiency (ROSS) program Coordinator to expand coordination of self-sufficiency services to each project site

The ROSS program has been expanded to the largest OHA project sites. The major activities involve annual community events, art workshops for youth, Boys & Girls Club programming, CaKIDS program education, and computer classes.

Objective: Increase collaboration between ROSS and FSS activities

The ROSS and the FSS program coordinators work closely to build new partnerships with local community service providers. The OHA established a Program Coordinating Committee in collaboration with the City of San Buena Ventura Housing Authority. The committee is made up of several community partners who provide services for low-income families. Each partner shares information of new programs, existing programs, and events available for the community at quarterly meetings.

Objective: Leverage capacity with resident advisory board teams to increase participation and outreach

The Resident Services Coordinator is facilitating training and guidance to each project site's Tenant Association. There are currently four tenant associations established, which represent all public housing sites. The OHA participates in meetings to provide information on program changes, requirements, and to gather feedback from residents. The Tenant Associations provide volunteer support to the OHA when carrying out events at their designated site.

Strategic Goal: Reduce Homelessness

PHA Goal One: Increase percentage of admissions to mainstream housing programs

Objective: Apply for Mainstream Vouchers

The OHA applied for and was awarded 40 mainstream vouchers. The mainstream vouchers are for individuals who are non-elderly/disabled and homeless. The OHA leased half of the allocation to applicants on the Section 8 waitlist and the other half have been committed to the Casa Aliento project. Casa Aliento is a rehabilitation project of a 70-room Vagabond Inn Motel to permanent supportive housing in Oxnard. The first phase of the project was completed during fiscal year 2024 and the second phase will be completed in January 2025.

Objective: Establish partnerships with local Health and Human Service Agencies

The OHA is working in partnership with the Ventura County Human Services Agency to prioritize services to families who need emergency housing.

Objective: Partner with Community Service Agencies throughout the Ventura county that offer homeless programs

The OHA hired two full-time Homeless Assistance Program Coordinator who work with community service agencies to provide an array of services to our homeless population. For example, OHA partnered with the Ventura County and Salvation Army to implement a “One Stop” program that provides services in areas frequented by non-housed homeless individuals. The

Objective: Collaborate with Ventura County’s Continuum of Care to establish a referral system

The OHA has established a referral system with the Ventura County’s Continuum of Care (CoC) agency. The Emergency Housing Voucher program, which was a limited special purpose voucher program launched in response to COVID, was successfully fully leased in partnership with the CoC. The Casa Aliento (40 project based vouchers allocated), Central Terrace (35 project based vouchers allocated) and 2nd and B (55 project based vouchers allocated) projects will be leased via a referral system in collaboration with the CoC.

PHA Goal Two: Set Aside Homeless Voucher Program

Objective: Increase utilization of homeless set aside vouchers

The OHA has achieved 100% utilization of the homeless set aside voucher program. Including fiscal year 2023, the number of vouchers allocated towards the homeless set aside voucher program is 135. This includes an allocation of 19 project based vouchers which have been awarded to the Casa Aliento project.

Objective: Establish MOU with Supportive Services Provider

The OHA has established a referral system with the Ventura County’s Continuum of Care agency. In addition, the OHA works in partnership with United Way of Ventura County and CalAIM of Ventura County Health Care Agency to refer voucher holders who need housing navigation support.

Objective: Develop a plan to move homeless applicants from shelter to permanent housing

The OHA is currently working with Ventura County, the Salvation Army, the Ventura County Workforce Development Board, Mercy House and the Ventura County’s Continuum of Care to refer clients through the Pathways to Home program for services. The Pathways to home program is a network collaborative of 18 agencies in the Ventura County who assist individuals and families to access homeless services

through coordinated process. In Fiscal year 2024, the Central Terrace project was completed and 35 project based vouchers were issued by the OHA to prioritized applicants from the Ventura County's Continuum of Care agency waitlist. In addition, Phase I of the Casa Aliento project was completed which includes 10 mainstream project-based vouchers and 7 housing choice project-based vouchers issued by the OHA. There are 2 additional new developments underway that have been awarded project based vouchers.

PHA Goal Three: VASH Program

Objective: Increase utilization of Veterans Affairs Supportive Housing (VASH) vouchers

The OHA is working with the U.S. Department of Veterans Affairs' regional office to discuss ways in which referrals can be increased for the VASH program. In addition, the OHA has allocated 13 project based VASH vouchers to the Cabrillo Economic Development Corporation's Dolores Huerta Gardens project. The project is a 58 affordable rental housing project that will be located at the intersection of Dolores Huerta Gardens and Pleasant Valley Road in Oxnard.

Objective: Increase collaboration efforts with local VA clinic to identify eligible Veterans

The City of Oxnard VA Clinic, which is the first stop for a Veteran to seek assistance with eligibility for the VASH program, temporarily suspended referrals due to capacity limitations and reprioritizing of program Objectives, during calendar year 2023. The OHA joined the Veterans Subcommittee Group, which is a committee led by the County of Ventura, County Executive Office to continue supporting efforts, actualizing program updates, and gather feedback on any support the OHA can provide. The referrals for the VASH program are expected to resume during the 2025 calendar year.

PHA Goal Four: Build a Navigation Center

Objective: Increase street outreach and case management

The OHA hired two Homeless Assistance Program Coordinators dedicated to street outreach and case management. In partnership with the Salvation Army, street outreach services have been expanded throughout the OHA's jurisdiction.

Objective: Lead the operation of the city owned navigation center

Construction of Navigation Center began in FY 2022 and is expected to be completed by end of calendar year 2025.

Objective: Establish partnerships with recuperative care, supportive service, and permanent housing providers

The OHA has established partnerships with multiple community service providers to assist in the efforts of connecting homeless individuals with supportive services. For example, the "One Stop" program which brings services to areas that are frequented by non-housed homeless individuals. The OHA also launched an encampment response plan to address several large homeless encampment sites. A variety of services were offered onsite including: hygiene services, outreach, and case management. Case managers connected individuals with temporary housing options, for many permanent housing has been made possible through the homeless set aside housing choice vouchers, the mainstream voucher program, and the project-based vouchers awarded to the Casa Aliento and Central Terrace affordable

housing developments.

HUD Strategic Goal #3: Enhance Rental Assistance

PHA Goal One: Transition public housing to a more sustainable platform

Objective: Expand the rehabilitation of existing housing

Improvements to public housing units include:

- Rehabilitation of exterior walls for OHA's turn key units (Projects located on Fremont, Althea, Hill, Fashion Park, Concord and Cuesta Del Mar) which included scrapping all peeling paint, filling in cracks, paint exterior walls, fascia and all exterior doors as well as carport posts and trash enclosures; the removal and replacement of all cracked concrete in backyard patios
- Flooring replacement for the Felicia project (100 units located on Felicia Court)
- Toilet sensor project for the Felicia project (100 units located on Felicia Court) and the Colonia project (70 units located on Colonia Road) which involved installation of toilet sensors to detect leaks or running toilets
- Kitchen cabinet replacement project for the Palm Vista Project (100 units located at 801 S. C St) which included the replacement of cabinets, plumbing fixtures, sink and range hood
- Boiler replacement project for the Plaza Vista Project (100 units located at 401 S. C St) which included replacement of both heater and domestic hot water heater boilers, holding tank, and all plumbing up to the walls
- Alley way pavement repairs for the Fashion Park project (24 units located on Fashion Park Place)
- Replaced all of the common area lighting with LED light fixtures for both Palm Vista Project (100 units located at 801 S. C St) and the Plaza Vista Project (100 units located at 401 S. C St)
- Replaced fire sprinklers for both Palm Vista Project (100 units located at 801 S. C St) and the Plaza Vista Project (100 units located at 401 S. C St)
- Painted the interior common walls/hallways for the both Palm Vista Project (100 units located at 801 S. C St) and the Plaza Vista Project (100 units located at 401 S. C St)
- Replaced all windows in each unit for the Pleasant Valley Village Project (100 units)
- Kitchen cabinet replacement project for the OHA's turn key units (Projects located on Fremont, Althea, Hill, Fashion Park, Concord and Cuesta Del Mar)
- Replaced the electrical panels and drain lines at the Plaza Vista Project (100 units located at 401 S. C St)
- Multiphase 504-compliance project (this project refers to number of units the OHA must have in its inventory that have been adapted to meet the needs of disabled persons). A total of 2 existing units at the Pleasant Valley project were converted into 4 accessible units and 5 units at the Palm Vista (located at 801 S. C St.) project were modified. In addition, 1 existing unit located on Althea Court was split into a 504 compliant unit and a regular unit. In fiscal year 2025, 6 additional conversions will be completed

Objective: Increase value of OHA's real property asset portfolio

The OHA will continue monitoring the private market for opportunities to expand its current property asset portfolio. In fiscal year 2022, the OHA increased its portfolio by acquiring a triplex apartment complex located at 1250 Azalea St, a triplex apartment complex located at 2051 Mariposa St, and a single-family residence located at 3139 S. J St. In fiscal year 2024, the OHA acquired a 10 apartment complex located at 201 S. D St. All of the units are leased by low income families.

Objective: Merge Capital Fund and Maintenance Teams

The Capital Fund team has been realigned and now reports to the Maintenance Department. The synergies between both teams offer the added benefit of ensuring that the ongoing maintenance needs of projects are factored in when capital improvement decisions are made. In addition, the capital fund team now has access to additional project management support.

Objective: Transition Public Housing Units with significant unmet capital needs to Rental Assistance Demonstration Program (RAD) or Project Based Projects

The OHA launched the effort titled "Rethink and Renew" to restructure operations. As part of the effort, the OHA submitted a technical assistance and capacity building engagement grant request to the Department of Housing and Urban Development (HUD). The request was approved. HUD assigned the consultant, CVR Associates, Inc. to complete an analysis and issue a repositioning report tailored to OHA. The term repositioning (also referred to as RAD) refers to changing the funding structure for the units currently owned by the OHA under the Public Housing Program to a Section 8 subsidy. This change will provide for a more stable stream of funding and also allow the OHA to leverage funds for rehabilitation of its units. The OHA has engaged a consultant to complete the assessment, application and award phases of RAD.

HUD Strategic Goal #4: Streamline Operations

PHA Goal One: Reduce administrative burden

Objective: Participate in HUD's Moving to Work Demonstration Cohort program

The Moving to Work Demonstration (MTW) Cohort program refers to a demonstration program for PHAs to design and test local innovative strategies with the use Federal dollars more efficiently, increase self-sufficiency for program families, and increase housing choices. Each year, the Department of Housing and Urban Development announces target areas and opportunities for PHAs to apply. The MTW allows participating agencies to be exempt from several regulations to provide flexibility on how they use Federal funds. The OHA will continue to monitor for Cohort opportunities that will be beneficial for the community served by the OHA.

Objective: Streamline processes and procedures for annual and re-certifications

The OHA has launched an on-line, web-based recertification portal for Public Housing residents. In FY 2022, the OHA moved to on-line recertifications for the Housing Choice Voucher program.

Objective: Implement consistent forms, letters, and notices for all programs

The OHA has begun standardizing forms for the Public Housing Program. A committee of staff members

has been established to review notices before they are released to residents. Once finalized, forms will be standardized for the Housing Choice Voucher Program.

Objective: Develop strategies to reshape workforce capacity

The COVID-19 pandemic required for the OHA to shift focus from identifying streamlining opportunities to establishing immediate processes to minimize the impact to delivery of services. However; the OHA has resumed normal operations, filled all vacant positions, has training efforts underway, and is working on standardizing procedures.

Objective: Identify and eliminate administrative practices not required by HUD

The OHA's day to day operations for the Public Housing and Section 8 Program were assessed by CVR Associates, Inc. a report of observations and recommendations was issued. The report outlines the strengths and areas of improvement that will result in improved efficiency for the OHA. The management team is focusing on the policy, procedures, and form observation. This area will address updated standard operating procedures, standardized forms, and monitoring.

PHA Goal Two: Improve customer service

Objective: Deliver services more efficiently

The OHA launched the effort titled "Rethink and Renew" to restructure operations. The goal is to improve landlord and tenant relations and customer service. This is an ongoing goal as the improvement of delivery services is a byproduct of improved efficiencies which are currently underway.

Objective: Reduce turnaround time-frames for reasonable accommodation requests

Reasonable accommodation requests are reviewed and dispositioned within 48-72 hours from receipt. If an accommodation exceeds the approval authority level of the Program Supervisor, it is submitted within 24 hours to the Housing Programs Manager for review so that the response is not delayed.

Objective: Move towards on-line web-based applications

The OHA launched an on-line applications and resident's web-based portal known as Rent Café. This system allows for applicants to update and monitor their application 24/7. For existing clients, they are able to submit their annual recertification forms and complete their eligibility on-online.

Attachment C.2(b) Resident Advisory Board (RAB) Comments

Housing Authority of the City of Oxnard
Annual Agency PHA Plan Proposed Changes
Summary of RAB Comments

Although no objections or written comments were received, the following is a summary of the verbal comments received at the Resident Advisory Board (RAB) Meetings:

- 1. Comment:** Is social security considered wages?
Response: Social security is a form of income and it is used to determine the household rent.
- 2. Comment:** When looking back at historical wages, in the scenario where an individual used to work part time and now works full time, will that be taken into consideration?
Response: Yes, if employment status changed from prior year, it will be taken into consideration when projecting income.
- 3. Question:** On project-based vouchers, what if I currently have a 4-bedroom unit and I no longer Qualify because family members moved out, what happens?
Response: Remaining family members remain over housed until there is a smaller unit in the same project, however; may request a tenant-based housing choice voucher (subject to eligibility and availability) so that they can locate a properly sized unit.
- 4. Comment:** If the Choice Neighborhood Implementation grant is awarded to the OHA, can the alley repairs that are listed on the 2025 Annual Capital Fund budget be paid for by the grant instead and the funding be used for another project?
Response: Yes, the alleyway in the Colonia Site is an eligible project for the Choice Grant. If awarded the OHA will utilize the funds for another eligible capital fund improvement at the same or another site. For now, the OHA is proposing to leave the project in the proposed budget, but will be deferred if necessary to allow for Choice Grant.
- 5. Comment:** For repairs needed at the Community Center (Pleasant Valley public housing site) would they need to go under the annual capital fund budget?
Response: It depends on the type and extend of the repairs involved. There are no projects planned at this time, however; OHA Staff will set up a meeting with the Pleasant Valley Tenant Association to do a walkthrough of the center and determine repairs needed.
- 6. Comment:** Can you bring the Fair Housing Rights center to talk to a person who is having issues with the Las Cortes Management Office regarding housing rights?
Response: Although the OHA cannot initiate a complaint on behalf of a program participant, the OHA can provide information on local agencies that can assist. The first step is for the participant to contact the Section 8 for guidance or if they prefer, they can contact either the Housing Rights Center or California Rural Legal Assistance directly.

Attachment C.2(b) Resident Advisory Board (RAB) Comments

7. Comment: Can something be built in the open common areas at the Colonia site, such as a walking exercise path?

Response: The idea of a walking exercise path has been shared with staff and is currently being explored as an option for the initial milestone project that is required as part of the Choice Planning Grant that was recently awarded to the OHA.

8. Comment: Can the parking spaces at the Pleasant Valley public housing site be re-painted and widened?

Response: The OHA submitted a request for approval to authorize a full-time position for the Public Housing Maintenance Team. The position will be focused on stripping parking lots and in-house painting work orders. Subsequently, the OHA will set up meetings with residents and the Tenant Association to discuss options and impact to the residents. For example, widening the parking space will reduce the number of spaces which will further exacerbate the lack of parking issue at all sites.

9. Comment: Can the basketball courts, lights and bleachers behind the community center at the Squires site be assessed for repairs?

Response: Yes, the OHA will set up a meeting with the Public Housing Superintendent and the Pleasant Valley Tenant Association to do a walkthrough of the area.

10. Question: For trees that have to be removed, can something be planted in their place?

Response: The Assistant Director will meet with the Public Housing Superintendent to discuss options for landscaping options that are drought tolerant.

11. Comment: Can the OHA staff attend monthly meetings depending on what subject matters will be covered?

Response: Yes, the OHA management team has offered to attend or participate in meetings upon request from the Tenant Association.

Violence Against Women Act Statement

VIOLENCE AGAINST WOMEN ACT (VAWA) For further clarification of Chapter 16 Part-VII (ACOP) and Chapter 16 Part-IX (ADMIN Plan)

The Housing Authority of the City of Oxnard (OHA) is responsible for public housing units and housing choice vouchers located in the City of Oxnard. Through our efforts to provide and maintain housing that is decent, safe, and sanitary, the Housing Authority strives for a high standard of property and voucher management.

The OHA's policy is to comply with the Violence Against Women Act (VAWA). The OHA shall not discriminate against an applicant, voucher participant, or public housing resident on the basis of the rights or privileges provided under the VAWA.

The OHA will request that an individual certify via HUD Form 5382, "Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking", that the individual is a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse and meet the requirements set forth in Public Law 113-4 and 117-103. Such certification shall include the name of the perpetrator. The OHA will request the certification in writing and require that the resident come into the management office to pick up HUD Form 5382 "Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking". In those cases where the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, is unable to pick up the form due to imminent danger by the perpetrator, the OHA will arrange to safely provide the form to the victim. The individual shall provide such certification within 14 business days after the individual receives HUD Form 5382, "Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking". If the individual does not provide the certification within 14 days of receiving the form, nothing in this subsection, in Public Law 113-4 Title VI or in 117-103 Division W, may be construed to limit the authority of the OHA to evict any tenant that commits violations of the Public Housing Lease Agreement. At the discretion of the OHA, the 14-day deadline may be extended.

An individual may also satisfy the certification requirement by producing a Federal, State, tribal, territorial, or local police or court record or providing the OHA with documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking, or the effects of the abuse. The professional must attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, dating violence, sexual assault, or stalking has signed or attested to the documentation.

The OHA will not demand that an individual produce official documentation or physical proof of the individual's status as a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking in order to receive any of the benefits provided in this section. At the discretion of the OHA, an individual may be provided benefits based solely on the individual's statement or other corroborating evidence.

In the case where the OHA receives conflicting certification documents from two or more members of the household each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the OHA will determine which is the true victim by requiring third-party documentation. Additionally, the OHA will honor any court orders addressing rights of access or control of the property, including civil protection orders

issued to protect the victim and to address the distribution or possession of property among the household.

All VAWA information provided to the OHA, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, shall be retained in confidence, and will not be entered into any shared database or provided to any related entity, except to the extent that disclosure is-

- i. Requested or consented to by the individual in writing;
- ii. Required for use in an eviction proceeding under Public Law 113-4 or 117-103, referencing conforming amendments made to the United States Housing Act of 1937;
or

- Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
- The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
- The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
