

**Name: Tim Flynn**

**Occupation: Mayor of Oxnard**

**Several years ago, I promised the residents of Oxnard honest, competent and transparent government at City Hall. I also asked you to Believe in Oxnard.**

**I believe the following accomplishments and goals represent my qualifications for Mayor of Oxnard.**

**Under my leadership: the City Council stopped an illegal retirement benefit for retired department heads.**

**The City Council saved the City several times from possible bankruptcy.**

**The City continues repaving hundreds of lane-miles of city streets and roads and an aggressive attack against graffiti and urban blight.**

**The Collection at Riverpark is thriving, providing additional sales tax revenue to the City.**

**The City created the One-Stop Permit Center to help local businesses prosper.**

**Many challenges remain: I will insist that all City employees continue paying their fair share toward their retirement benefits.**

**I will support public safety by adding more police to the gang enforcement unit, investing in a gang-intervention program and hiring more firefighters.**

**I continue to support the reinvigoration of Downtown retail through attractive, exciting mixed-use lofts and apartments for professionals and artists.**

**Finally, I will continue fighting for the highest possible water quality and Channel Islands Harbor revitalization.**

**I humbly request your support.**

**Tim Flynn, Mayor**
