

I am running for Mayor of Oxnard. After the last four years, we *deserve* better - and I know we can *do* better.

I was born and raised in Oxnard, attended Hueneme High, earned my degree at UC Santa Barbara, and will soon complete my Ph.D. in Higher Education & Organizational Change at UCLA.

For three years, I served Oxnard as the Community Affairs Manager with the Oxnard Police Department, for which I was named "Employee of the Year." I championed public engagement programs through difficult times, and brought focus to Oxnard's underserved and under-resourced neighborhoods. Together, we rebuilt and strengthened relationships, established partnerships, and were recognized by the State and our work modeled by the U.S. Department of Justice.

I have served in high-level government posts in Washington D.C., working with interest groups and stakeholders to address our country's greatest challenges. Past experience, current success, and my undeniable yearning to serve Oxnard are reinforced by a broader and more inclusive perspective, a more strategic approach to management, and leadership skills that build consensus and respond effectively to our community's needs.

I'm asking for your voice, your vigilance, and your vote for **Miguel Lopez, Mayor of Oxnard.**

Thank you!
