Manager-Only Competencies

Business Acumen

The supervisor/manager sets clear objectives to define successful performance for their teams as it aligns with department and City goals. They consider the financial implications of decisions, impact on other departments, work effectively under budgetary constraints, and make effective use of limited resources. They follow City process and best practices for contracting, purchasing, budgeting, and HR-related tasks. They consider the larger environment and seek out examples from other jurisdictions when needed.

Evaluation Prompts:

- Does the supervisor/manager set clear goals to ensure successful completion of projects or tasks?
- Does the supervisor/manager make sound decisions based on available information?

- Does the supervisor/manager effectively monitor organizational resources for their Department or Division?
- Does the supervisor/manager seek out a variety of resources and information to ensure the best decision is made?
